Of these books, "The Husband I bought" is no exception. It represents how foolish it is to sacrifice oneself for the benefit of another person. To show this, she used an extreme representation of a woman who is in love with a man so much that she sacrificed her whole life only to see the Having read Anthem by Ayn Rand beforehand, I was familiar ...

My husband and I recently bought this little cabin in the woods as our primary residence. The cabin is 800 square feet and built on stilts because of the level of the ground. Everything was built like a fortress — complete with drawbridge door and a concrete manhole for the utilities to come up through.

"The Husband I Bought" seems to be the only writing other than scenarios from these early months. It is the first story she wrote in English. Miss Rand was aware that this story (like all her work in the 1920s) was a beginner's exercise, written in effect in a foreign language, and she never dreamed of publishing it.

You're buying a house with premarriage money. If you buy a home using money you earned or inherited before the marriage, it can make sense to keep your spouse off the deed, title, and mortgage. That way, the property clearly is in your name and can be sold or mortgaged at your sole discretion. You own it. Case closed.
